Board Report 2006-2007 Board of Governors

Date of Report: March 1 & 2, 2007

Name of person submitting report: Kelly Harper

Position on Board: Ohio State Director

Accomplishments relevant to area of responsibility since last report:

- OCEA hosted a winter drive-in workshop on February 1, 2007 at Cincinnati State. Our two presenters were
 - Sherry Kelley Marshall, Dean of Workforce Development at Cincinnati State – who presented on Creating a Framework for Mutually Beneficial Relationships for Business and Colleges
 - Kenneth Simonson, Director of Academics, the Emerging Ethnic Engineering Program – who presented on The Academic Challenge for Ohio: Increasing the Number of Under-represented Students Earning Degrees in Science, Technology, Engineering, and/or Math.
- OCEA will be hosting their annual conference May 15 and 16, 2007 in Dayton, OH. The theme is Reaching for the Co-op Stars.

Obstacles encountered relevant to area of responsibility since last report:

Expenses against budget or budget line to date:

- Current year = \$0.

Items that will be presented for Board consideration/action:

- None at this time.

To be accomplished by next Board meeting:
